Annual PHA Plan <i>(Standard PHAs and Troubled PHAs)</i>	U.S. Department of Housing and Urban Development Office of Public and Indian Housing	OMB No. 2577-0226 Expires: 03/31/2024
--	---	--

Purpose. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, including changes to these policies, and informs HUD, families served by the PHA, and members of the public of the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low- income families.

Applicability. The Form HUD-50075-ST is to be completed annually by **STANDARD PHAs or TROUBLED PHAs**. PHAs that meet the definition of a High Performer PHA, Small PHA, HCV-Only PHA or Qualified PHA do not need to submit this form.

Definitions.

- (1) **High-Performer PHA** – A PHA that owns or manages more than 550 combined public housing units and housing choice vouchers, and was designated as a high performer on both the most recent Public Housing Assessment System (PHAS) and Section Eight Management Assessment Program (SEMAP) assessments if administering both programs, or PHAS if only administering public housing.
- (2) **Small PHA** - A PHA that is not designated as PHAS or SEMAP troubled, that owns or manages less than 250 public housing units and any number of vouchers where the total combined units exceed 550.
- (3) **Housing Choice Voucher (HCV) Only PHA** - A PHA that administers more than 550 HCVs, was not designated as troubled in its most recent SEMAP assessment and does not own or manage public housing.
- (4) **Standard PHA** - A PHA that owns or manages 250 or more public housing units and any number of vouchers where the total combined units exceed 550, and that was designated as a standard performer in the most recent PHAS or SEMAP assessments.
- (5) **Troubled PHA** - A PHA that achieves an overall PHAS or SEMAP score of less than 60 percent.
- (6) **Qualified PHA** - A PHA with 550 or fewer public housing dwelling units and/or housing choice vouchers combined and is not PHAS or SEMAP troubled.

Statement of Housing Needs and Strategy for Addressing Housing Needs

In the upcoming fiscal year, HANO will implement a variety of strategies to address the shortage of affordable housing that has increased due to the COVID-19 pandemic and Hurricane Ida. The shortage is reflected in the below waiting list statistics and Statement of Housing Needs. HANO’s strategies emanate from the Agency’s 5-Year Plan goals and objectives and are aligned with HUD’s strategic framework. They are also consistent with the City of New Orleans’ Consolidated Plan and link to many of the broader community strategies currently underway.

Core strategies include: maximizing affordable housing opportunities through continuous program improvements and management efficiencies including upgrading technology and streamlining business operations; leveraging additional resources to replace public housing units and implementing mixed-finance, mixed-income redevelopment; and generating new housing opportunities by applying for additional vouchers should they become available – including special purpose vouchers for targeted groups such as the elderly, disabled, veterans, and the homeless.

Strategies for Addressing Disparities in Housing Needs

Assessment of Fair Housing (AFH) Plan

The City of New Orleans (City) and the Housing Authority of New Orleans (HANO) collaborated to produce a joint Assessment of Fair Housing (AFH) Plan designed to provide meaningful goals and strategies that can be reasonably expected to achieve a material positive change in disparities in housing needs and in access to opportunity; replacing segregated living patterns with truly integrated and balanced living patterns; transforming racially or ethnically concentrated areas of poverty into areas of opportunity; and fostering and maintaining compliance with civil rights and fair housing laws.

To address these barriers, the AFH Plan proposes to:

1. Lower barriers to expanded affordable housing in high opportunity areas through inclusive strategies.
2. Reduce housing segregation and discrimination by aggressively conducting fair housing education and enforcement activities, in coordination and with fair housing organizations.
3. Ensure that internal policies and practices advance access and mobility for groups with significant challenges in accessing safe and affordable housing including people with disabilities, people with limited English proficiency, and people with criminal records.
4. Prioritize public investments in transit, quality schools, housing, parks, and other amenities in underserved communities.
5. Expand efforts in creating equitable healthy housing that recognizes the direct connections between healthy housing and quality of life.
6. Stabilize neighborhoods vulnerable to gentrification by preserving existing ownership and affordable rental housing and developing affordable homeownership and rental housing.
7. Provide reliable, frequent, and affordable access to multiple transportation options to transit-dependent populations.

These goals were jointly embraced by the City of New Orleans and HANO and incorporated into the AFH Plan which was approved by HUD on November 17, 2016. HANO has continued to implement and make progress toward these goals.

Operation and Management

Following is a summary of policy changes proposed to facilitate the operation and management of HANO's programs. There are no policy changes for HANO's Public Housing (PH) Admissions and Continued Occupancy Policy (ACOP). HANO's Housing Choice Voucher Program (HCV) Administrative Plan has changes summarized below. HANO is also apply for a Section 18 disposition which is explained below. Policy documents are available on the Agency's website at www.hano.org.

HCV Administrative Plan Policy Changes

HANO has revised the HCVP Administrative Plan as follows:

1. Allowed youth 6 years of age to of opposite genders to obtain their own rooms to determine unit sizes
2. Clarified language regarding exceptions to competitive selection of PBV units

The Admin Plan with redline changes has been appended to this document.

Public Housing Admissions and Continued Occupancy Plan (ACOP) Policy Changes

HANO has no revisions to the Admissions and Continue Occupancy Plan (ACOP).

Section 18 Disposition

The Estates at Desire includes four sites that were developed under the mixed finance public housing development program – Treasure Village (34 units), Abundance Square (73 units), New Savoy Place Apartments (aka Savoy I)(158 units), and New Savoy Place Phase II (aka Savoy II) (160 units)(together the “Developments”). The Developments include four hundred and twenty five (425) residential units of which one hundred and twenty seven (127) are public housing units. The Owners have defaulted on their ground leases with HANO, the Agreements not to Alienate in favor of HUD, and have failed to comply with public housing requirements because the Owners' general partners, along with their related management company, will abandon the Developments effective December 31, 2024, which would leave the Developments unattended and unmanaged. In the case of Savoy I, the Owner has defaulted on its sublease with the Industrial Development Board of the City of New Orleans, Inc. (“IDB”) by failing to pay a payment in lieu of taxes that was due in June of 2024.

As part of the dispositions, the Estates at Desire will be removed from the public housing program so that HANO can substitute the current public housing operating subsidies with Project Based Vouchers to address escalating operating costs and deferred maintenance needs for the Developments.

DEFINITION OF “SUBSTANTIAL DEVIATION” AND “SIGNIFICANT AMENDMENT OR MODIFICATION”

In accordance with HUD regulations in 24 CFR 903.7 (r) and 24 CFR 905.3, HANO has defined below the basic criteria that will be used for determining: (i) substantial deviation from its 5-Year Plan; (ii) significant amendment or modification to the 5-Year and Annual PHA Plans; and (iii) significant amendment or modification to the Capital Fund Program (CFP) 5-Year Action Plan. Prior to implementing changes that meet such criteria, HANO will submit for HUD’s approval, a revised Plan(s) that meets full public process requirements including Resident Advisory Board review and consultation.

HANO’s criteria, as defined below, is applicable to all CFP components including: Capital Fund grants; Replacement Housing Factor (RHF) grants; Disaster Grants; Capital Fund Financing Program (CFFP) allocations; as well as any new or future formula components such as Demolition and Disposition Transitional Funding (DDTF).

(i) Criteria for defining “Substantial Deviation” from the 5-Year Plan:

- A major change in the direction of HANO pertaining to its mission and goals would constitute a “substantial deviation” from the Agency’s 5-Year Plan.
- Examples include the undertaking of new program activities, development strategies, or financing initiatives that do not otherwise further HANO’s stated mission and goals as articulated in the 5-Year Plan.

(ii) Criteria for defining “Significant Amendment or Modification” to the 5-Year and Annual PHA Plans:

- Changes to rent, admission policies, or organization of the waiting list(s) in the Public Housing Program that will impact more than 10% of applicants and/or households assisted under the Program.
- Changes to rent, admission policies, or organization of the waiting list(s) in the Housing Choice Voucher Program that will impact more than 10% of applicants and/or households assisted under the Program.
- Substantial changes to demolition, disposition, designated housing, homeownership, or conversion activities identified in the current HUD-approved Annual or 5-Year Plans.

(iii) Criteria for defining “Significant Amendment or Modification” to the Capital Fund Program (CFP) 5-Year Action Plan:

- Proposed demolition, disposition, homeownership, Capital Fund financing, development, or mixed-finance proposals will be considered significant amendments to the CFP 5-Year Action Plan.
- Additions of non-emergency work items not included in the current CFP Annual Statement or CFP 5-Year Action Plan that exceed \$3 million.

(iv) Exceptions:

- Changes under the above definitions that are required due to HUD regulations, federal statutes, state or local laws/ordinances, or as a result of a declared national or local emergency will not be considered substantial deviation or significant amendment/modification.

- Changes under the above definitions which are funded by any source other than federal funds will not require Plan amendment or modification.

B.1 (c) The PHA must submit its Deconcentration Policy for Field Office review.
--

DECONCENTRATION OF POVERTY AND INCOME-MIXING

HANO's admission policy is designed to provide for deconcentration of poverty and income mixing by bringing higher income residents into lower income developments and lower income residents into higher income developments. Nothing in the deconcentration policy relieves HANO of the obligation to meet the income-targeting requirement. Gross annual income is used for income limits at admission and for income-mixing purposes.

Deconcentration and Income-Mixing Goals

Developments subject to the deconcentration requirement are referred to as 'covered developments' and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a PHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

HANO acknowledges that its Signature Communities are mixed-income or mixed-finance developments that include policies intended to promote income mixing in public housing, increase incomes of public housing residents, or the income mix is otherwise subject to individual review and approval by HUD through mixed-finance review or other approval processes. As such, the incomes of public housing residents may fall outside the Established Income Range (as defined below). In such an event, HANO will provide appropriate explanation of such an occurrence in its Annual Plan.

HANO's deconcentration and income-mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low-income families", will be to admit families above HANO's Established Income Range (EIR) to communities below the EIR, and families below HANO's EIR to communities above the EIR.

Deconcentration applies to transfer families as well as applicant families.

Step for Implementation

Step 1. Annually, HANO will determine the average income of all families residing in general covered developments.

Step 2. HANO will then determine the average income of all families residing in each covered development.

Step 3. HANO will then determine whether each covered development determined in Step 2 falls above, within or below the Established Income Range (EIR).

The EIR is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the average family income for covered developments determined in Step 1.

Step 4. HANO will then determine whether communities outside EIR are consistent with local goals and strategies in the Housing Authority Plan. Any deconcentration policy as needed is described in the Agency Plan.

Step 5. If at annual review there are found to be covered developments with average incomes above or below the EIR that are not explained or justified in the Agency Plan, HANO shall list these covered developments in its Annual Plan.

The Housing Authority shall adhere to the following policies for deconcentration of poverty and income mixing in applicable communities:

- HANO shall establish a preference for admission of working families in covered communities below the EIR.
- HANO shall target investment and capital improvements toward covered communities below the EIR to encourage applicant families whose income is above the EIR to accept units in those communities.
- A family has the sole discretion whether to accept an offer of a unit made under HANO’s deconcentration policy. HANO and its Agents will not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under this deconcentration policy.

Deconcentration Compliance

If, at annual review, the average incomes at all covered communities are within the Established Income Range, HANO will be considered to be in compliance with the deconcentration requirement.

Hope VI or Choice Neighborhoods

HANO applied for and received a CNI planning grant for the BW Cooper housing community. Once a Transformation Plan is developed, HANO will consider seeking a CNI implementation grant for BW Cooper/Marrero Commons.

Mixed Finance Modernization or Development

Yes No: d) Will the PHA be engaging in any mixed-finance development activities for public housing in the Plan year?

If yes, list developments or activities below:

Iberville Choice Neighborhoods Initiative – City Square Phase 2

Demolition and/or Disposition

1. Yes No: Does the PHA plan to conduct any demolition or disposition activities (pursuant to section 18 of the U.S. Housing Act of 1937 (42 U.S.C. 1437p)) in the plan Fiscal Year?

The Estates at Desire includes four sites that were developed under the mixed finance public housing development program – Treasure Village (34 units), Abundance Square (73 units), New Savoy Place Apartments (aka Savoy I)(158 units), and New Savoy Place Phase II (aka Savoy II) (160 units)(together the “Developments”). The Developments include four hundred and twenty five (425) residential units of which one hundred and twenty seven (127) are public housing units. The Owners have defaulted on their ground leases with HANO, the Agreements not to Alienate in favor of HUD, and have failed to comply with public housing requirements because the Owners’ general partners, along with their related management company, will abandon the Developments effective December 31, 2024, which would leave the Developments unattended and unmanaged. In the case of Savoy I, the Owner has defaulted on its sublease with the Industrial Development Board of the City of New Orleans, Inc. (“IDB”) by failing to pay a payment in lieu of taxes that was due in June of 2024.

In a work-out arrangement with HANO similar to a deed-in-lieu of foreclosure, the Owners will dispose of the Developments by assigning their interests in the ground leases from HANO as well as, where applicable, their interests under subleases with the IDB to wholly-controlled HANO entities (“HANO Entities”). In the case of Treasure Village and Abundance Square, HANO has created Abundance Treasure Housing, Inc., which is a wholly controlled public facilities corporation, to own those properties. Property owned by Abundance Treasure Housing, Inc. will be exempt from real property taxes.

In the case of Savoy I and Savoy II, HANO has created limited liability corporations – Savoy I Authority LLC and Savoy II Authority LLC – to own those properties to preserve the existing mortgages, ground leases, and subleases so that the property tax exemptions granted through the IDB will remain intact. JP Morgan Chase Bank N.A. (“Chase”) owns bonds issued by the IDB for Savoy I. Savoy II is burdened by a mortgage in favor of Wells Fargo Bank N.A. (“Wells”) and one in favor of the Louisiana Housing Corporation (“LHC”). HANO is working with Chase and Wells to either assume or discharge their secured obligations. LHC cannot discharge the debt associated with its mortgage. If the debt to Chase is discharged, Abundance Treasure Housing, Inc. may assume the ground lease and the sublease from the IDB might be terminated. If the debt to Wells is discharged, a different public facilities corporation created by HANO, Savoy II Estates Housing, Inc., might assume the ground lease, the IDB sublease might

be terminated and the LHC mortgage will remain.

As part of the dispositions, the Estates at Desire will be removed from the public housing program so that HANO can substitute the current public housing operating subsidies with Project Based Vouchers to address escalating operating costs and deferred maintenance needs for the Developments.

HANO has determined the dispositions to be appropriate pursuant to 24 CFR 970.17 (a) because the Owners' abandonment of the Developments will adversely affect the health and safety of the residents and make the operation of the Developments infeasible unless new owners step in to own, manage, and maintain them.

With respect to Fair Market Value, the Owners are disposing of the Estates at Desire to the HANO Entities as a remedy for the Owners' default on their ground leases with HANO and the Agreements not to Alienate in favor of HUD. HANO is not providing any compensation to the Owners. The dispositions are occurring for less than fair market value because it is in HANO's, HUD's, and the residents' best interest to preserve HANO and HUD's Twenty Nine Million Eighty-Nine Thousand Seven Hundred and Fifty Three Dollar (\$29,089,753) investment in the Developments, to protect the health and safety of the residents of the Developments, and to prevent the displacement of the residents. HANO will file Section 18 Use Agreements against the Developments requiring that the former public housing units are maintained as affordable housing.

Designated Housing for Elderly and Disabled Families.

1. Yes No: Has the PHA designated or applied for approval to designate or does the PHA plan to apply to designate any public housing for occupancy only by the elderly families or only by families with disabilities, or by elderly families and families with disabilities or will apply for designation for occupancy by only elderly families or only families with disabilities, or by elderly families and families with disabilities as provided by section 7 of the U.S. Housing Act of 1937 (42 U.S.C. 1437e) in the upcoming fiscal year?

HANO plans to apply for the following designation:

Project-Based Vouchers

Pursuant to initial guidance published by HUD regarding the Section 8 Project-Based Voucher (PBV) Program in the January 16, 2001 Federal Register, Volume 66, Number 10, the Housing Authority of New Orleans intends to continue to operate a PBV Program as authorized by HUD and in conformity with all nondiscriminatory requirements specified in the PHA Plan regulations and further declares that the HANO shall affirmatively further fair housing as required by these regulations.

Project-basing in Orleans Parish is a viable and important option to tenant-based assistance because PBVs support redevelopment and revitalization efforts. HANO's Administrative Plan allows for HANO to consider applications for PBV assistance using both the competitive and non-competitive methods as appropriate and allowable under regulations and statute.

The majority of Census Tracts in the City of New Orleans have poverty rates greater than 20%, including tracts that include conventional and scattered site developments and much of the City's blighted housing. Therefore, some PBV units will be in census tracts with poverty rates greater than 20%. However, HANO will use its PBV Program to offer participant families a greater choice of quality and affordable housing. Additional housing development selected under the PBV program will conform to all relevant HUD requirements and goals specified in the HCVP Administrative Plan and the PHA Plan.

HANO currently has 2,457 units under Housing Assistance Payments (HAP) contracts. In addition, HANO has issued 534 PBV commitments which will produce additional affordable units depending on the timing of the financial closing and construction schedule.

Units Approved for Vacancy for Modernization

HANO plans to conduct interior and exterior modernization activities in vacant units at the following properties: Fischer, Florida, Scattered Sites, and Guste. Planned exterior modernization activities include but are not limited to porch rehabs, repairs to balconies, railings, columns, and canopies, exterior lighting, exterior painting and caulking, siding repairs, roofing repairs and repair to exterior doors and soffits. Planned interior modernization activities include but are not limited to repairing and replacing flooring and flooring rehab, repairing and replacing counters and sinks in kitchens and bathrooms, repairing and replacing cabinetry in kitchens and bathrooms, painting, repairing interior doors, carpentry, plumbing, electrical work, replacing fixtures and appliances, repairing and replacing tubs and showers, repairing and replacing HVAC units and systems, and mechanical upgrades. The extensive modernization will require units to be vacant.

B.3 PROGRESS ON HANO 5 YEAR GOALS

October 1, 2020 –September 30, 2025

Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income, very low- income, and extremely low- income families for the next five years.

Goal 1: Develop a long-term affordable housing expansion and preservation strategy

- Objective 1.1 Plan for redevelopment of scattered sites and other vacant parcels utilizing a neighborhood-centric approach.
- Objective 1.2 Seek publicly-owned vacant lots within close proximity to develop live, work, and play amenities.
- Objective 1.3 Explore opportunities for self-development by HANO.
- Objective 1.4 Leverage resources to build new housing and modernize existing housing.
- Objective 1.5 Implement sustainability measures to preserve and protect HANO’s portfolio.

Goal 2: Expand HANO’s housing portfolio to include rental and homeownership units

- Objective 2.1 Facilitate development of 1,000+ affordable housing units during the plan period.
- Objective 2.2 Continue growing the Project Based Voucher program as an incentivizing tool for new housing development
- Objective 2.3 Increase the usage of homeownership vouchers to 5% of HCV households
- Objective 2.4 Recruit partners to provide down-payment assistance for homeowners and security deposit assistance for renters
- Objective 2.5 Utilize Federal low income housing tax credits and other financing tools to support affordable housing development
- Objective 2.6 Utilize community land trusts to ensure long-term affordable homes

Goal 3: Improve customer service using training, technology, and community engagement.

- Objective 3.1 Reduce transaction times for clients, landlords, and other business partners.
- Objective 3.2 Establish a call center along with defined response times and tracking protocols
- Objective 3.3 Distribute quarterly customer satisfaction surveys to obtain feedback from internal and external custom
- Objective 3.4 Provide ongoing staff training in customer relations and interpersonal skill building

Goal 4: Maintain High-Performer status in the Housing Choice Voucher Program and Public Housing Program

- Objective 4.1 Improve the Agency’s performance under the Public Housing Assessment System (PHAS)
- Objective 4.2 Retool HANO’s asset management protocol to drive continuous improvement in all areas of property management
- Objective 4.3 Maintain high performer status under the Section 8 Management Assessment Program (SEMAP)
- Objective 4.4 Ensure ongoing compliance monitoring and tracking of SEMAP and other HCV performance metrics
- Objective 4.5 Apply to become an MTW agency after achieving high performer status

Goal 5: Rebrand the Agency to improve HANO’s public image

- Objective 5.1 Develop a rebranding strategy to strengthen HANO’s image and foster positive perceptions of the Agency.
- Objective 5.2 Create a new visual identity using social media and other platforms (website, Facebook, Instagram)
- Objective 5.3 Enlist ambassadors and partnerships to help HANO achieve an active and engaging community presence.
- Objective 5.4 Create and maintain a media kit to facilitate communication with press outlets
- Objective 5.5 Share information about HANO initiatives through expanded participation in community and industry associations, at local and national levels

Goal 6: Streamline business operations to create efficiencies, effectiveness and reduce cost

- Objective 6.1 Upgrade to an integrated computer system that will encompass both programmatic and financial functionality
- Objective 6.2 Organize a new call center along with standard operating procedures, response times, and tracking protocols
- Objective 6.3 Evaluate and update work processes to improve efficiency and reduce time to complete client and landlord transactions
- Objective 6.4 Foster continuous performance improvement (CPI) by providing training and professional development opportunities to all staff

Goal 7: Reposition underperforming assets

- Objective 7.1 Participate in Asset Repositioning training conducted by HUD and other industry organizations.
- Objective 7.2 Develop criteria for identifying and prioritizing underperforming properties and for determining appropriate repositioning strategies
- Objective 7.3 Utilize the newly-developed criteria to analyze operational, capital, and financial needs, and to delineate short and long-term approaches for impacted properties.
- Objective 7.4 Implement planned repositioning with continuous monitoring of property performance

Goal 8: Upgrade technology to streamline business processes including updating hardware and software

- Objective 8.1 Expand existing software to provide tenant portal services in areas such as virtual wait list applications, no-contact recertifications, and electronic rent payments
- Objective 8.2 Convert office desktop computers to touch screen laptop docking stations that can be readily adapted for telework purposes
- Objective 8.3 Procure text blast and robocall technology to electronically send up-to-date notices to all tenants, landlords, and business partners
- Objective 8.4 Utilize document imaging software to convert program documents to an electronic format, ultimately reducing file storage and expediting record retrieval

Goal 9: Implement sustainable self-sufficiency programs that create economic mobility and generational wealth

- Objective 9.1 Increase homeownership opportunities for HANO clients
- Objective 9.2 Increase client participation in the Family Self-Sufficiency (FSS) Program
- Objective 9.3 Expand opportunities for client employment and/or entrepreneurship including participation in Section 3 programs
- Objective 9.4 Increase attainment of High School Equivalency (HSE; formerly GED) credentials as well as attainment of college level education for all HANO clients
- Objective 9.5 Increase the percentage of tenants living in low poverty neighborhoods
- Objective 9.6 Increase self-sufficiency program awareness and participation among clients who are members of vulnerable population groups

Goal 10: Improve financial sustainability through conservative investments, cash management, partnerships, and grant opportunities

- Objective 10.1 Research and implement cost savings related to central office space needs and relocation possibilities.
- Objective 10.2 Develop a team of policy/grant writers to seek grants to support all functions of HANO
- Objective 10.3 Continue partnerships with third parties to fund development projects and other Agency initiatives.
- Objective 10.4 Study best practices and implement measures that will further HANO's financial sustainability.

B5. HANO PROGRESS PREPORT ON 5 YEAR GOALS

Goal 1: Develop a long-term affordable housing expansion and preservation strategy for HANO’s portfolio.

HOUSING AUTHORITY OF NEW ORLEANS OBJECTVES		PROGRESS TOWARDS GOALS
Objective 1.1	Plan for redevelopment of scattered sites and other vacant parcels utilizing a neighborhood-centric approach	<p>Redevelopment of the 136 units in the Bywater area was reduced to 82 with the reduction of the market rate units. The developer will submit a 4% LIHTC application to the Louisiana Housing Corporation for CDBG Prime 3 in spring 2024.</p> <p>Development of six scattered sites in the West Carrollton and Uptown neighborhoods. Four of the six sites have received Section 106 approval.</p>
Objective 1.2	Seek publicly-owned vacant lots within close proximity to develop live, work, and play amenities.	<p>City Square 162 is a mixed- income, multifamily building with 76 apartments that are close to transit, the central business district, and the Lafitte Greenway. Development was completed in August 2021.</p>
Objective 1.3	Explore opportunities for self-development by HANO.	<p>In the current economic climate, HANO continues to explore self-development opportunities for either rental or homeownership. Staff is working on a Scattered Site Development Strategy, which is expected to be completed by summer 2023.</p>
Objective 1.4	Leverage resources to build new housing and modernize existing housing.	<ul style="list-style-type: none"> • HANO has leveraged its project-based vouchers (PBV) to develop new housing. As part of the CNI redevelopment, 469 PBV units have been constructed in Tremé. An additional 23 PBV units are planned for Winn-Dixie Phase II and another 40 PBV units at Faubourg Lafitte, both of which are within the CNI boundaries. • In the Bywater and Carrollton neighborhoods, 34 and 77 PBV vouchers are planned for new construction, respectively.
Objective 1.5	Implement sustainability measures to preserve and protect HANO’s portfolio	<p>HANO has increased the term of PBV contracts in accordance with HOTMA regulations that allows PBV contracts to increase from 20 years to 25 years.</p>

Goal 2: Expand HANO's affordable housing portfolio to include rental and homeownership units.

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 2.1	Facilitate development of 1,000+ affordable housing units during the plan period.	HANO is on target to develop 1,000 affordable housing units between 2021 and 2025. HANO expects to develop 236 units by 2025, including 45 rental units for Winn-Dixie Phase 2, 110 rental units in the Carrollton neighborhood, and 51 rental units at Faubourg Lafitte. HANO expects to create affordable homeownership opportunities through self-development and/or development with third-party partners.
Objective 2.2	Continue growing the Project Based Voucher program as an incentivizing tool for new housing development	HANO is steadily increasing the use of project based vouchers and has 13 "Agreements to enter into a HAP contract" (AHAP) that are expected to convert to HAP contracts in the next fiscal year. HANO has roughly 400 PBV commitments for upcoming developments. The agency plans to release a Request for Proposal for additional PBV projects in 2024.
Objective 2.3	Increase the usage of homeownership vouchers to 5% of HCV households	HANO has provided 547 homeownership vouchers which is 3% of HANO's 18,280 HCV allocated vouchers, an increase from the last fiscal year. HANO is working to increase usage to 5%.
Objective 2.4	Recruit partners to provide down-payment assistance for homeowners and security deposit assistance for renters	HANO has partnered with the City of New Orleans to provide down payment and closing costs subsidies to HANO assisted first- time homebuyers.
Objective 2.5	Utilize Federal low-income housing tax credits and other financing tools to support affordable housing development	HANO's third-party development partners have secured low- income housing tax credits (LIHTC) for the development of affordable housing. A total of 76 new units were completed at City Square 162. Another 45 units will be developed under Winn-Dixie Phase 2, which received an allocation of 9% tax 2023 credits. A total of 22 units will be developed as part of 2256 Baronne Street, using 4% tax credits. .
Objective 2.6	Utilize community land trusts to ensure long-term affordable homes	HANO is considering the development of affordable housing in partnership with third party developers as well as organizations such as Crescent City Community land trust.

Goal 3: Improve customer service using training, technology, and community engagement.

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 3.1	Reduce transaction times for clients, landlords, and other business partners	HANO has deployed a cutting-edge website that facilitates intuitive and efficient navigation. Electronic forms have been widely adopted, minimizing the need for manual paperwork and accelerating data entry. Furthermore, a significant investment has been made in the implementation of an Electronic Document Management System, enhancing document organization, retrieval, and sharing capabilities.
Objective 3.2	Establish a call center along with defined response times and tracking protocols	HANO established a call center in March 2021 that is fully operational with staff who are trained to answer questions and track responses.
Objective 3.3	Distribute quarterly customer satisfaction surveys to obtain feedback from internal and external customers	HANO completed tenant surveys in 2020 as part of the ROSS grant application.
Objective 3.4	Provide ongoing staff training in customer relations and interpersonal skill building	All call center staff were trained on customer relations, fair housing, and HCV program details such as the Administrative Plan and Emphasys software.

Goal 4: Maintain High-Performer status in the Housing Choice Voucher Program and Public Housing Program

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 4.1	Improve the Agency’s performance under the Public Housing Assessment System (PHAS)	HANO latest composite score of 70 was in 2022 which places the agency as an a Substandard Performer in the Public Housing Program. HANO anticipates that the score for 2024 will increase significantly.
Objective 4.2	Retool HANO’s asset management protocol to drive continuous improvement in all areas of property management	HANO is in the process of retooling its asset management protocol to ensure that property managers focus on the day-to-day operations of rental properties while asset managers focus on the financial integrity and administrative viability of not only developments managed by HANO but those managed by third parties as well.
Objective 4.3	Maintain high performer status under the Section 8 Management Assessment Program (SEMAP)	HANO is currently a high performer under HUD’s SEMAP assessment system. Under the latest assessment for FY 2019, HANO still has room for improvement in the Family Self-Sufficiency (FSS) category & QC inspections. The agency has hired a full time FSS Housing Specialist and has contracted with a third party to perform inspections. HANO will be a high performer for FY 2022 utilizing a HUD COVID waiver to carry forward its most recent SEMAP assessment. The HCVP Department is monitoring its SEMAP performance monthly to stay on track with this goal.
Objective 4.4	Ensure ongoing compliance monitoring and tracking of SEMAP and other HCV performance metrics	Files are audited monthly for compliance monitoring and tracking of SEMAP indicators as well as other HCV metrics.
Objective 4.5	Apply to become an MTW agency after achieving high performer status	HANO plans to apply to Cohort 5 of the MTW program when it is announced.

Goal 5: Rebrand the Agency to improve HANO’s public image.

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 5.1	Develop a rebranding strategy to strengthen HANO’s image and foster positive perceptions of the Agency.	HANO has developed a strategy to rebrand the agency which is updated periodically with additional tasks as new programs and projects are launched. Multiple tasks have been implemented, with others to follow this year. The marketing agency Prismatic has been selected as the vendor tasked with facilitating the rebranding effort.
Objective 5.2	Create a new visual identity using social media and other platforms (website, Facebook, Instagram)	HANO is currently utilizing Facebook, Twitter, and Instagram as social media platforms to provide updates, notices, features and activity information. A new website is currently being redeveloped by the Velocity Agency.
Objective 5.3	Enlist ambassadors and partnerships to help HANO achieve an active and engaging community presence.	HANO staff were enlisted as Ambassadors in 2020. Ambassadors worked together with the Communications department to develop core values for the Agency and a plan to increase HANO's presence at community meetings in the Second quarter of 2021. As a result, HANO has partnered with the Mayor’s Office of Neighborhood Engagement to distribute HANO materials during neighborhood events and activities throughout the city.
Objective 5.4	Create and maintain a media kit to facilitate communication with press outlets	HANO developed a digital agency fact sheet as well as posted information on HANO's Board of Commissioners, our Executive Director and Executive Staff all on our external website, which is all accessible to media. HANO is in the process of creating a general informational video on the successes of HANO and its residents to facilitate communication with press outlets. Anticipate the video being completed and uploaded later this summer.
Objective 5.5	Share information about HANO initiatives through expanded participation in community and industry associations, at local and national levels	<ul style="list-style-type: none"> • Initiatives were shared during the City’s Community Clean Up event and during community meetings hosted by the Mayor's Office of Neighborhood Engagement. • Materials are also shared at the New Orleans Public Libraries during the City’s Community Office Hours • HANO's Police Department has also shared information on HANO's initiatives through its participation in the City’s Neighborhood Leaders’ Roundtable discussion on public safety.

Goal 6: Streamline Business Operations to create efficiencies, effectiveness and reduce cost.

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 6.1	Upgrade to an integrated computer system that will encompass both programmatic and financial functionality	HANO is launching a new financial system that will encompass both programmatic and financial functionality with implementation planned for spring 2023.
Objective 6.2	Organize a new call center along with standard operating procedures, response times, and tracking protocols	Early 2021 standing operating procedures for the call center were developed. We are tracking utilizing Cysco protocols which track response time, hold time, and the length of conversations. The number of calls received by each operator are also tracked and their pickup rate. HANO is exploring additional technological tools to enhance tracking and quality control of calls.
Objective 6.3	Evaluate and update work processes to improve efficiency and reduce time to complete client and landlord transactions	After an evaluation and due to the COVID-19 pandemic, HANO began allowing email correspondence, and DocuSign documents to transact business which is in addition to in-person and mailed correspondence.
Objective 6.4	Foster continuous performance improvement (CPI) by providing training and professional development opportunities to all staff	HANO employees are provided with access to a comprehensive Learning Management System (LMS) that consist of an extensive library of professional development trainings. The trainings provide an enhancement to staffs' knowledge, skills, and abilities in many facets of professional development.

Goal 7: Reposition underperforming assets.

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 7.1	Participate in Asset Repositioning training conducted by HUD and other industry organizations.	Staff will participate in Asset Repositioning Training and plans to continue this type of training in 2024-2025.
Objective 7.2	Develop criteria for identifying and prioritizing underperforming properties and for determining appropriate repositioning strategies	HANO has identified properties that it has self-developed as well as those constructed in partnership with third-party developers and we are currently working on a performance improvement strategy to for these sites.

Objective 7.3	Utilize the newly developed criteria to analyze operational, capital, and financial needs, and to delineate short and long-term approaches for impacted properties.	HANO has begun analyzing operational costs at self-developed properties as well as properties developed by third-party partners to delineate short and long-term approaches to address the individual needs of each site. Once a plan has been established and implemented, HANO will continue to identify and review its portfolio to develop similar strategies for any other sites that may need repositioning.
Objective 7.4	Implement planned repositioning with continuous monitoring of property performance	HANO has begun analyzing operational costs at its self-developed properties as well as properties developed by third-party partners to delineate short and long-term approaches to address the individual needs of each site.

Goal 8: Upgrade technology to streamline business processes including updating hardware and software.

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 8.1	Expand existing software to provide tenant portal services in areas such as virtual wait list applications, no-contact certifications, and electronic rent payments	HANO has implemented an applicant portal that allows a virtual wait list. A tenant portal is under development.
Objective 8.2	Convert office desktop computers to laptop docking stations that can be readily adapted for telework purposes	All staff have been converted from desktops to either laptops or docking stations.
Objective 8.3	Procure text blast and/or robocall technology to electronically send up-to-date notices to all tenants, landlords, and business partners	HANO procured and implemented text blast technology to electronically send notices.
Objective 8.4	Utilize document imaging software to convert program documents to an electronic format, ultimately reducing file storage and expediting record retrieval	The Legal Department is managing the contract to image the historical board documents. Under that contract, the bound volumes of the historic board documents will be scanned and converted to electronic format in March 2021.

Goal 9: Implement sustainable self-sufficiency programs that create economic mobility and generational wealth

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 9.1	Increase homeownership opportunities for HANO clients	HANO has placed homeownership applications on-line at hano.org. A dedicated homeownership counselor responds to applicants and assist them with navigating the homeownership process.
Objective 9.2	Increase client participation in the Family Self-Sufficiency (FSS) Program	HANO applied and was awarded a grant to increase from one FSS coordinator to two coordinators. Both coordinators will work to recruit additional clients to the FSS program.
Objective 9.3	Expand opportunities for client employment and/or entrepreneurship including participation in Section 3 programs	HANO is continuing its Resident Entrepreneur Training Institute (RETI) that helps residents develop and implement business ideas. HANO also continues its Section 3 job opportunities and on-site construction training.
Objective 9.4	Increase attainment of High School Equivalency (HSE; formerly GED) credentials as well as attainment of college level education for all HANO clients	HANO has partnered with the Adult Education Program at Delgado Community College, TCA, and Hope House to provide education services to HANO clients. Virtual classes are also available. HANO also maintains a scholarship program for traditional and non-traditional (returning) students who are residents. HANO also implements yearly college tours and computer literacy at Fischer.
Objective 9.5	Increase the percentage of tenants living in low poverty neighborhoods	<ul style="list-style-type: none"> • HANO has established exception payment standards based on the established Small Area Fair Market Rents (SAFMRs) for eight zip codes within HANO’s jurisdiction to encourage better access to low poverty areas. • HANO received HUD’s Mobility Demonstration Program grant. The program is funded at 3.9 million and is designed to increase the percentage of tenants living in low poverty areas. The program has commenced, and families are actively enrolling as part of the Community Choice Demonstration’s pilot.

Objective 9.6	Increase self-sufficiency program awareness and participation among clients who are members of vulnerable population groups	HANO applied and was awarded a grant to increase from one FSS coordinator to two coordinators. Having two coordinators will enable HANO to develop specific procedures targeting self-sufficiency of vulnerable populations including disabled individuals and formerly incarcerated individuals. As this is the 3rd year of the current FSS grant cycle, HANO plans on requesting FSS funding in the next cycle for an additional grant funded FSS coordinator position, if possible, which will help to meet the demand of our residents to participate in the FSS program.
----------------------	--	---

Goal 10: Improve financial sustainability through conservative investments, cash management, partnerships, and grant opportunities

HOUSING AUTHORITY OF NEW ORLEANS OBJECTIVES		PROGRESS TOWARDS GOALS
Objective 10.1	Research and implement cost savings related to central office space needs and relocation possibilities.	HANO's Asset Management department completed an evaluation of central office space. From this evaluation, HCV office spaces were reconfigured and call center staff were relocated to a central call center location.
Objective 10.2	Develop a team of policy/grant writers to seek grants to support all functions of HANO	HANO has sought more grants utilizing a team approach in the last fiscal year than in the previous five years. HANO has applied and received the FSS grant, ROSS grant, the CNI supplemental grant, the Choice Demonstration Grant, the Primetime Reading grant, and a Choice Neighborhood Planning grant.
Objective 10.3	Continue partnerships with third parties to fund development projects and other Agency initiatives.	HANO partnered with the City of New Orleans, the Louisiana Housing Corporation and the City Planning Commission to host a Developer Symposium to educate developers on each agency's affordable housing programs and processes. HANO is using the information discussed at the symposium to create its Vacant Lot Scattered Site Strategy. In addition, HANO intends to host more informational and listening sessions with developers as well as other City and State agencies to implement industry best practices for future affordable projects.
Objective 10.4	Study best practices and implement measures that will further HANO's financial sustainability.	HANO is studying best practices as a part of developing asset repositioning strategies.
